

FRONT END:

- **USER INTERFACE SCREEN**

Login Form: User will login here.

The screenshot shows a window titled "Login" with a light blue background. At the top, it says "KOUSHEYA SILK MILLS WELCOMES YOU!". Below this, it says "Login Here:". There are two input fields: "User ID:" and "Password:". Below the password field is an "OK" button.

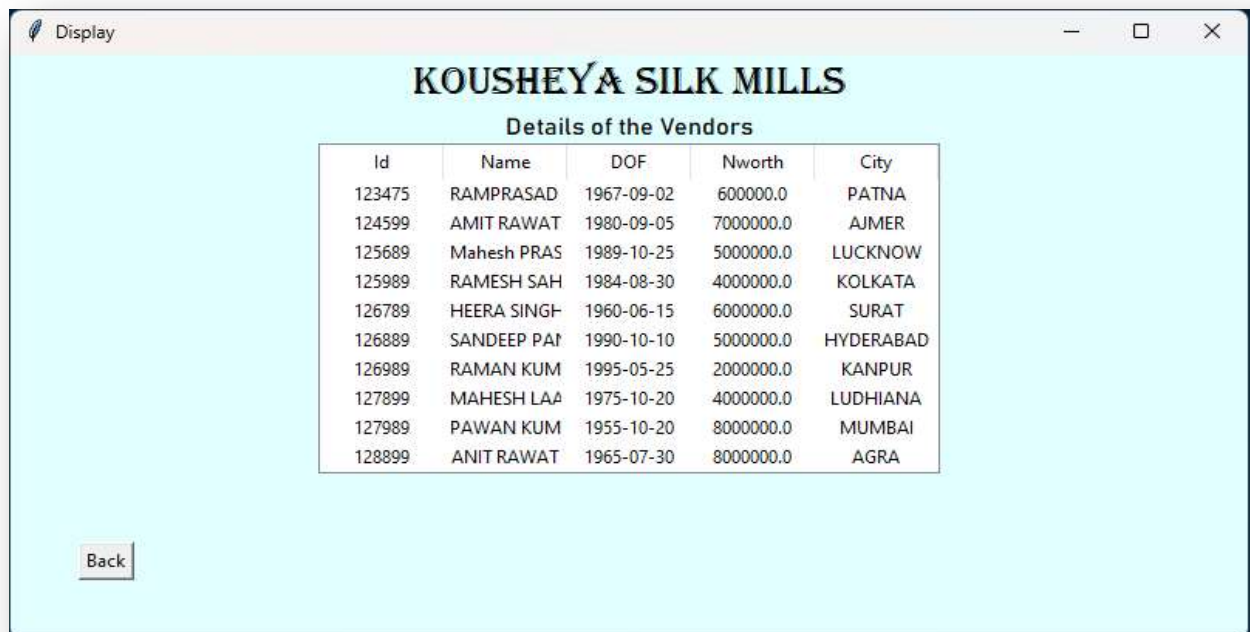

Choices Window: User is given various choices to proceed.

The screenshot shows a window titled "Menu" with a light blue background. At the top, it says "KOUSHEYA SILK MILLS WELCOMES YOU!". Below this, there are two radio buttons: "Vendor" and "Fabric". To the right of the "Vendor" radio button is a "Display" button. Below the "Display" button is an "Insert" button. Below the "Insert" button is an "Update" button. Below the "Update" button is a "Search" button. Below the "Search" button is a "Delete" button. Below the "Delete" button is a "Graph" button. Below the "Graph" button is an "Exit" button.

Display Window: Data is displayed here according to chosen option.

Display

KOUSHEYA SILK MILLS

Details of the Fabrics

Id	Name	Cost	Quantity	Vid
CAN141	CANVAS	6000.0	8000	129989
CAS151	CASHMERE	5000.0	7000	125689

Search Window: Existing data can be found here.

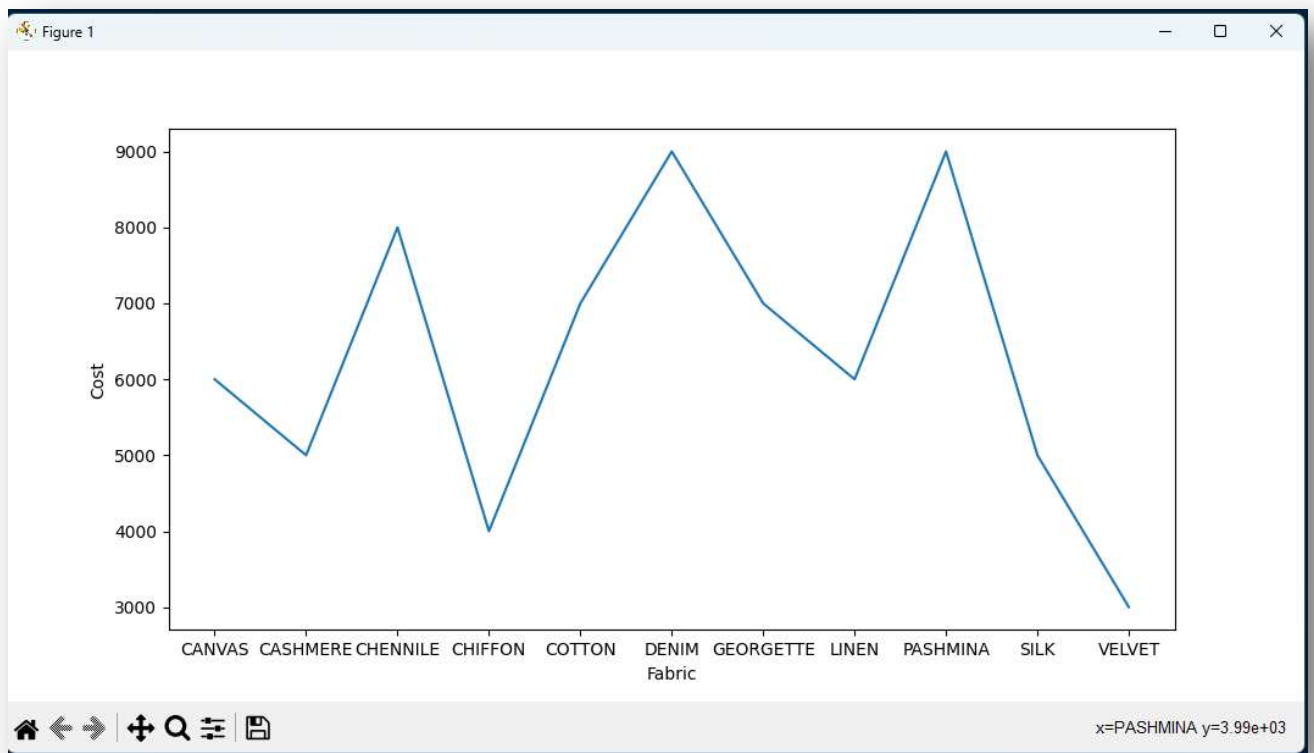

A screenshot of a software window titled "Search". The window has a light blue background and a title bar with standard Windows controls (minimize, maximize, close). The text "KOUSHEYA SILK MILLS" is centered at the top in a large, bold, serif font. Below this, the label "Vid of Vendor:" is positioned to the left of a white rectangular input field. Centered below the input field is a small button labeled "Ok". In the bottom-left corner of the window, there is another button labeled "Back".

A screenshot of a software window titled "Delete". The window has a light blue background and a title bar with standard Windows controls (minimize, maximize, close). The text "KOUSHEYA SILK MILLS" is centered at the top in a large, bold, serif font. Below this, the label "Fcode of Fabric:" is positioned to the left of a white rectangular input field. Centered below the input field is a small button labeled "Ok". In the bottom-left corner of the window, there is another button labeled "Back".

Graphs: Vendor with their Networkth and Fabric with their cost.

Exit Window: Exiting the form.

A screenshot of an IDLE Shell window. The title bar reads "IDLE Shell 3.11.0". The menu bar includes "File", "Edit", "Shell", "Debug", "Options", "Window", and "Help". The main text area has a dark blue background and contains the following text: "Python 3.11.0 (main, Oct 24 2022, 18:26:48) [MSC v.1933 64 bit (AMD64)] on win32", "Type 'help', 'copyright', 'credits' or 'license()' for more information.", a separator line of dashes, "==== RESTART: D:\pd\Project.py =====", and "Thanks". There are three red prompt characters ">>>" on the left side of the text area, one before the first line, one before the separator line, and one before the "Thanks" line.

```
IDLE Shell 3.11.0
File Edit Shell Debug Options Window Help
Python 3.11.0 (main, Oct 24 2022, 18:26:48) [MSC v.1933 64 bit (AMD64)] on win32
Type "help", "copyright", "credits" or "license()" for more information.
